Subject: Message #18: NCAA Denial

Date: August 7, 2015

To: adecurriculum@lists.state.ar.us

From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Curriculum Leaders:

Several schools in Arkansas have submitted the following new courses to the NCAA for approval, and the courses were denied.

439110 Transitional Math Ready (SREB)
496030 Transitional Literacy Ready
439100 Computer Science with Mathematics
413010 Transitional English 12
414020 Forensics I

This could potentially have a negative impact on students who fall under the NCAA guidelines. Please send this information to high school administration and counselors. All of the courses listed are not required for students to graduate and should be an optional offering for students. We will continue to follow-up with these courses for future approval, but as of today they are denied.

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
